### **SUEZ CEMENTS ITS PRESENCE ON THE GOLD COAST THROUGH THE ACQUISITION OF PRO SKIPS**

SUEZ has announced the acquisition of Pro Skips, a leading Gold Coast based waste management business.

Founded in 2005, Pro Skips provides skip bins and recycling services to the Construction and Demolition (C&D) market from Tweed Heads at the New South Wales border through to Beenleigh, South of Brisbane. The company has established trusted customer relationship in the Gold Coast market with a fleet of 13 trucks servicing the region.

SUEZ is a leader in resource recovery with a significant presence in Queensland. The acquisition of Pro Skips provides entry for SUEZ into the Gold Coast C&D market, complementing the company's existing local commercial and industrial business.

Pro Skips 28 employees have been offered roles at SUEZ.

SUEZ's State General Manager for Queensland, Peter Hudson said: "SUEZ is an established provider of waste management services to the state of Queensland and this acquisition strengthens our presence on the Gold Coast and expands our service offering to our customers."

"The long-term outlook for the Gold Coast construction industry is strong with large scale developments in the lead up to the 2018 Gold Coast Commonwealth Games in particular. This provides SUEZ with a platform to expand our C&D operations towards Brisbane."

The transaction was completed in early December.
